The Principal /Director/Vice-Chancellor
All AICTE Affiliated Institute/University

Subject: Request to register on Internship and NEAT Portal-reg.

Greetings from All India Council of Technical Education.

Hope all are safe in this pandemic situation.

We are happy to inform you that NEAT cell, AICTE, is handling the three significant projects called National Educational Alliance for Technology (NEAT), AICTE Internship Portal, Enhancement in Learning with Improvement in Skills (ELIS) portal. All projects are for the betterment of Indian Students in an aspect of upskilling and reskilling them, and enhancing their employability skills.

As per Student Internship Policy, AICTE has formulated its Internship policy for students of Technical Education. Which mandates internship for all UG/ Diploma students. AICTE Internship Policy is available at <https://www.aicte-india.org/sites/default/files/AICTE%20Internship%20Policy.pdf>

It is noticed that institutes and students face challenges in identifying suitable internship opportunities as it is mandatory for UG/ Diploma students. In this regard, AICTE is extending its resources and facilities to support students. This will enhance the skills of students and make them industry-ready.

We bring to your kind reminder that as per Approval Process Handbook 2021-2022 - Appendix-6 Norms for Essential and Desirable Requirements of the Technical Institutions. Implementation of mandatory Internship policy for students (An Affidavit to be uploaded on the Portal for compliance with the Implementation of Internship Policy of AICTE).

Also you may be aware to support easy availability of Internships to its students / Industrial Visits / Industrial Projects etc. Every AICTE approved institution should **sign at least 5 MoUs with Industries** (preferably nearby industries). The Industries with which MoUs have signed may be requested to register themselves on <http://www.internship.aicte-india.org/> and offer Internship through the portal.

In this regard, it's mandatory for all the institutes (TPOs and all students of respective Institute) to register on the **AICTE Internship Portal on or before the last date.**

The Institutes not registered on the AICTE Internship Portal will not be able to avail the benefits of Awards / Funding Scheme of AICTE like RPS, MODROBS, STTP, FDP, IDEA Labs, Awards etc for the Institute.
